cannot educate as heavily on his soul. Your Highness may easily conceive of the difficulties that beset the memorialist if, with a view to acquire his higher education, under the special training he attempts to go to Aligarh; And the memorialist humbly begs permission to urge on your Highness that unless at this very critical time your Highness interposes and generously patronize him, his attempts will all be useless and his aspirations mere day dreams.

That, realizing the vast educational advantages in the study at the Muhammadan Anglo Oriental College at Aligarh the memorialist has resolved to go to that Muslim Institution to obtain his education.

That, your memorialist most humbly and respectfully begs to offer himself and appeal, as a subject of the Mysore State (the honour of being which comes to him by many generations) to the generosity of your Highness and prays to encourage his feeble but valuable aspirations, by granting him a Scholarship (sufficient to meet the expenses) at the M. A. O. College, Aligarh, and thus to enable Muhammadan youth and loyal subject of the benign Government to achieve his object.

And for the boon, that your Highness might be graciously pleased to grant him, by sanctioning a Scholarship to obtain his education in that great Muslim Institution of India, the Muhammadan Anglo Oriental College, founded for the Muslims of all India by the late Hon'ble Dr. Sir Syed Ahmad Khan Bahadur D.D., K.C.S.I., at Aligarh, your Highness' illustrious name will be remembered with grateful reverence by the Muslim India, he and all in his house and his community will ever pray for your Highness' long, peaceful & prosperous reign.

Sir P N Krishnamurti
 Dewan of Mysore

Dear Sir Krishna: -

I write you regarding a young man who is a student in the London Mission High School, Mustafa Ali Khan, He is very anxious to go to Aligarh to pursue scientific studies there and wishes to approach you for a Mysore Scholarship, and he has asked me for a recommendation to you. I told him I knew nothing of his ability as a student, on which ground alone he should be recommended. But I wrote to Mr Rice, Principal of the School, asking him about the young man. From his reply, which you will please find enclosed, I gather that he is a promising student and I am therefore glad to give what support I can to his application.

I am

Very Sincerely yours

PRINCIPAL
MISSION HIGH SCHOOL
BANGALORE

To

J. Lovell Murray, Esq

Mr. Murray
Safar Ali Khan is a nice lad and of good family, and is
in the Sixth Form. He joined the school in the middle of last year.
He applied for a recommendation that he might go for study to
was accorded. But owing partly to the war, ^{the plan} has fallen through.
He applied through me to Mr. Bhabha for a Muhammadan scholarship
to continue his studies for Matriculation. Now it appears his
same time applying to you for a recommendation to go as a
boarding student to Aligarh. I think he might do well there,
he to decide definitely upon some one course. He is apt to suffer
aims. He is an intelligent young man, but as he has not
at any Terminal Examination in this school, I cannot state
position in class. If he can get into Aligarh College I believe
good for him.

Yours Very Sincerely
Edward D. Rice
